

Skein Lane Farm Day
Sunday on the Farm
October 11, 2009

With this year's Skein Lane Retreat - October 16, 17, 18 - we have two knitting instructors...and felt that we couldn't do justice to the farm experience...thus a new venture is being made available for us who love going to the farm. Join us if you can for a day with Mimi and Marlie at Windrush Farm on Sunday afternoon the weekend before the Retreat.

11:00AM – 12:00 Tour of the farm

12:00 1:00 Lunch: Do it your self Pizza in the outdoor wood burning oven.
(everything is provided, just choose the toppings and watch your pizza).
Large green salad with greens from Mimi's garden and local farmers
Dessert
No host wine bar (coffee, water and ice tea free)

1:00 – 4:00 Shibori felting class

We think that most of you have knitted something and then felted it, but we have a new twist on the technique shibori. In this class we will teach you how to add baubles, bumps and beads to your knitted felt. It is fun, easy and takes the ordinary into the realm of extraordinary. Along the way we will sneak in a few other options for combining knitting and felting.

Please bring various sizes knitting needles, an embroidery needle, a hat if the sun shines, boots or farm shoes if it's wet. We'll see you there

Fee: Lunch \$20 and Class \$30
Payable to: Windrush Farms
