

Fringed Scarf

- Materials:** Store model made from
- *Xanadu* from Elizabeth Austen (1 ball) or try *Firecracker* from Collinette
 - *Midas Touch* from FFF(1 ball) or try *Eros Glitz* from Plymouth
 - *Must* from Needful Yarns (1 ball) or try any thin ribbon yarn

Needle Size: Size 19
Gauge: Loose
Size: The knitted scarf is approximately 60" long before fringing. It will become shorter when fringed. See the store model which is approximately 30".

Directions:
With all three strands held together, loosely cast on 11 stitches.

Row 1: Knit
Row 2: Knit 3, purl 5, knit 3

Repeat above two rows until desired length. (Note: Before fringing the scarf will have 3 sts of garter on each side of 5 sts of stockingette.)

Last Row: Knit 3, bind off 4 middle stitches. There will be 3 unworked stitches remaining on the left-hand needle and 4 stitches (3sts from the garter edge and last live stitch from the center 5) on right hand needle. Slip the last stitch off the right-hand needle, cut all yarns and draw them through this last stitch.

Do not pull the stitches off the right needle. With that in mind and with work (scarf) laying flat on a surface, pull needle out of the 3 unworked stitches remaining on the left-hand needle. Take a deep breath.....undo the last 2 rows (along the lengthwise side of the scarf) that were knit with these 3 stitches and a long loop will form. Secure the loop by tying an overhand knot with all the yarns at the base of the loop. Continue in this manner along the left side until the end has been reached. At the base, tie the last and second to the last loops together.

Now make the loops, in the same manner as the left, on the 3 remaining stitches on the right hand needle.

Hurray.....you now have a work-of-art scarf.
